SHERITA CHANDLER

PROJECT MANAGEMENT INSTRUCTOR | PMP | RETIRED U.S. AIR FORCE VETERAN

Port St. Lucie, Florida | sherita@peolocity.com | linkedin.com/in/sherita-chandler/

Professional Summary

PMP- and PMI-ACP-certified project management professional, Master Trainer, Agile Facilitator, instructor, and retired U.S. Air Force Veteran with extensive experience delivering in-person and virtual training, coaching learners, managing complex programmes, and helping diverse teams apply project management, Agile, leadership, and process-improvement principles in practice. Experienced in preparing instructional content, facilitating structured learning, mentoring participants through applied projects, managing stakeholder expectations, and maintaining programme documentation. Highly proficient with Zoom for virtual instruction, experienced in training learners on Microsoft Office applications, and capable of working within learning management systems (LMS). Known for building authentic relationships with learners while creating practical, engaging, accountable learning environments.

Relevant Training & Instruction Experience

Project Management Trainer & Coach | Black Diamond Charities | *Veteran-Focused Programme*

- Delivered project management training for Veterans through a structured multi-session programme combining full-day instruction with weekly project coaching.
- Helped participants move beyond theory by applying project management concepts to practical work, reinforcing accountability, execution, and learner confidence.
- Delivered training virtually and was invited to return for additional cohorts based on programme need.

Lead Trainer / Facilitator | Fresh Start Miami-Dade

- Delivered 40-hour certification training and abbreviated 24-hour training programmes for adult learners, with recurring quarterly delivery based on funding and programme needs.
- Facilitated Wellness Recovery Action Plan (WRAP) Train-the-Trainer programmes and supported learners through structured, skills-based instruction.
- Managed a multi-year SAMHSA-funded training project that trained more than 1,000 participants while meeting grant requirements, deadlines, and stakeholder expectations.

Facilitator / Trainer / Mentor | Faces and Voices of Recovery

- Served as programme manager, facilitator, trainer, and mentor for Recovery Community Organisations and stakeholders.
- Supported learner development through facilitation, mentoring, stakeholder communication, and relationship-centred programme delivery.

Lead Facilitator | LFS Health Systems – Lutheran Services Florida

- Led delivery of the state curriculum Helping Others Heal and the Copeland Centre's Wellness Recovery Action Plan (WRAP).
- Managed project tasks and resources while supporting effective programme delivery and participant engagement.

Facilitation Trainer | Global Entrepreneurs Institute

- Provide ongoing facilitation of proprietary learning content to students across the globe, strengthening communication, engagement, and learning outcomes.

Speaker / Facilitator | HKPO Veterans Academy | *2025–Present*

- Facilitate Veteran-focused learning sessions on Scrum, Agile, mental health, and maintaining connection after military transition.

Professional Experience

Principal Consultant | Peolocity LLC | *Present*

- Provide project management, Agile coaching, leadership development, change management, and process-improvement services to public, nonprofit, education, and private-sector clients.

- Design and facilitate workshops, coaching engagements, and structured learning experiences for leaders, project teams, and adult learners.
- Manage complex client engagements, training resources, schedules, stakeholder communication, risks, deliverables, and required documentation.
- Coach teams in Scrum, Kanban, Agile project management, communication, conflict resolution, and continuous improvement.

Leadership & Programme Experience | Selected Engagements

- Okeechobee County Schools — Project Manager and coach supporting principals and staff with team dynamics, conflict resolution, collaboration, and operational effectiveness.
- Paraguay, South America — Assistant Programme/Project Manager supporting transformational leadership training reaching more than 22,000 leaders and developing facilitators to train others.
- Prodigy Capital Inc. — Programme Manager providing group and one-on-one coaching to senior leaders and management teams, with emphasis on mission, vision, productivity, and organisational alignment.

United States Air Force | Retired Veteran | *October 1993 – August 2001*

- Led and managed teams of more than 100 personnel in high-pressure environments, improving team performance through coaching, mentoring, delegation, and accountability.
- Managed logistics resources and budget responsibilities with a record of accuracy and supported human-resources processes affecting service members and their families.
